

Expat wins Service Excellence Award at ERC Global Mobility Conference in Denver Colorado.

Expat International was the recipient of the inaugural **Service Excellence Award** given by MSI Global Mobility in Denver Colorado on Wednesday October 12th. Expat is the provider for MSI in Australia and was recognised for our commitment to premium service delivery for MSI clients and their employees. Feedback on a global-survey basis on the experience of working with Expat from assignees and MSI Account Managers resulted in Expat International receiving the award.
